# ***Mission: UPGRADE***

## **We're finally MOVIN' UP in the world!**

After years of braving the challenging conditions of the Turnpike Road facility, students, faculty, alumni, and friends are thrilled to be able to enjoy our new multimillion dollar edifice, a state-of-the-art empire.

Indeed, we have MOVED ON UP!

## ***I.C. Norcom High School***

***"Even though I'm a freshman, I was excited to be a part of the Norcom family, especially in a beautiful, new school!"***

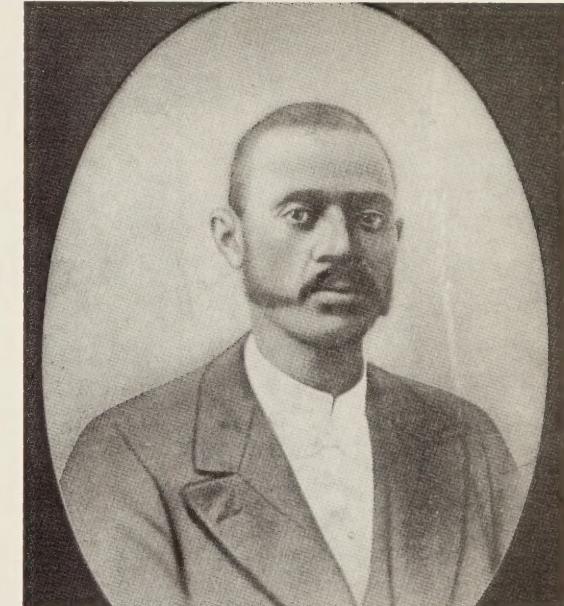

***– Angel Wilder***

# Farewell, Turnpike Road!

From 1953 to 1998, the Turnpike Road facility embraced thousands upon thousands of young people and touched the lives of all who walked upon its hallowed halls.

As the tradition of I.C. Norcom continues to RISE TO HIGHER HEIGHTS, we must always remember the dreams of those who have struggled to keep the late Israel Charles Norcom's legacy MOVING IN AN UPWARD DIRECTION.

The late Israel Charles Norcom (1856-1916), for whom this great institution is named, placed educating young people at the forefront of his life.

I.C. Norcom High School's Turnpike Road edifice was erected more than four decades ago.

**It's Time to Move On!**

# **New and Improved!**

When school began on September 8, approximately 1400 students, faculty and staff members, parents, alumni, and friends poured into this building to get a first-hand glance at history in the making.

Students were amazed at the accessibility of computers, updated software, high-tech media center, the spacious student dining area, and last but not least...CLOCKS THAT HAVE THE CORRECT TIME!

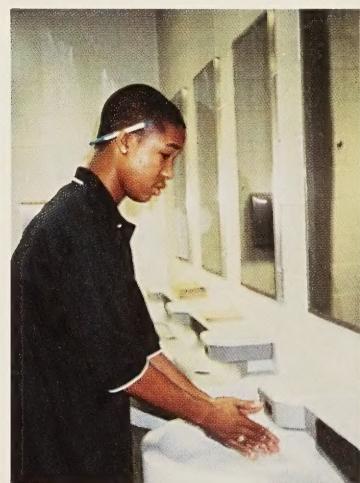

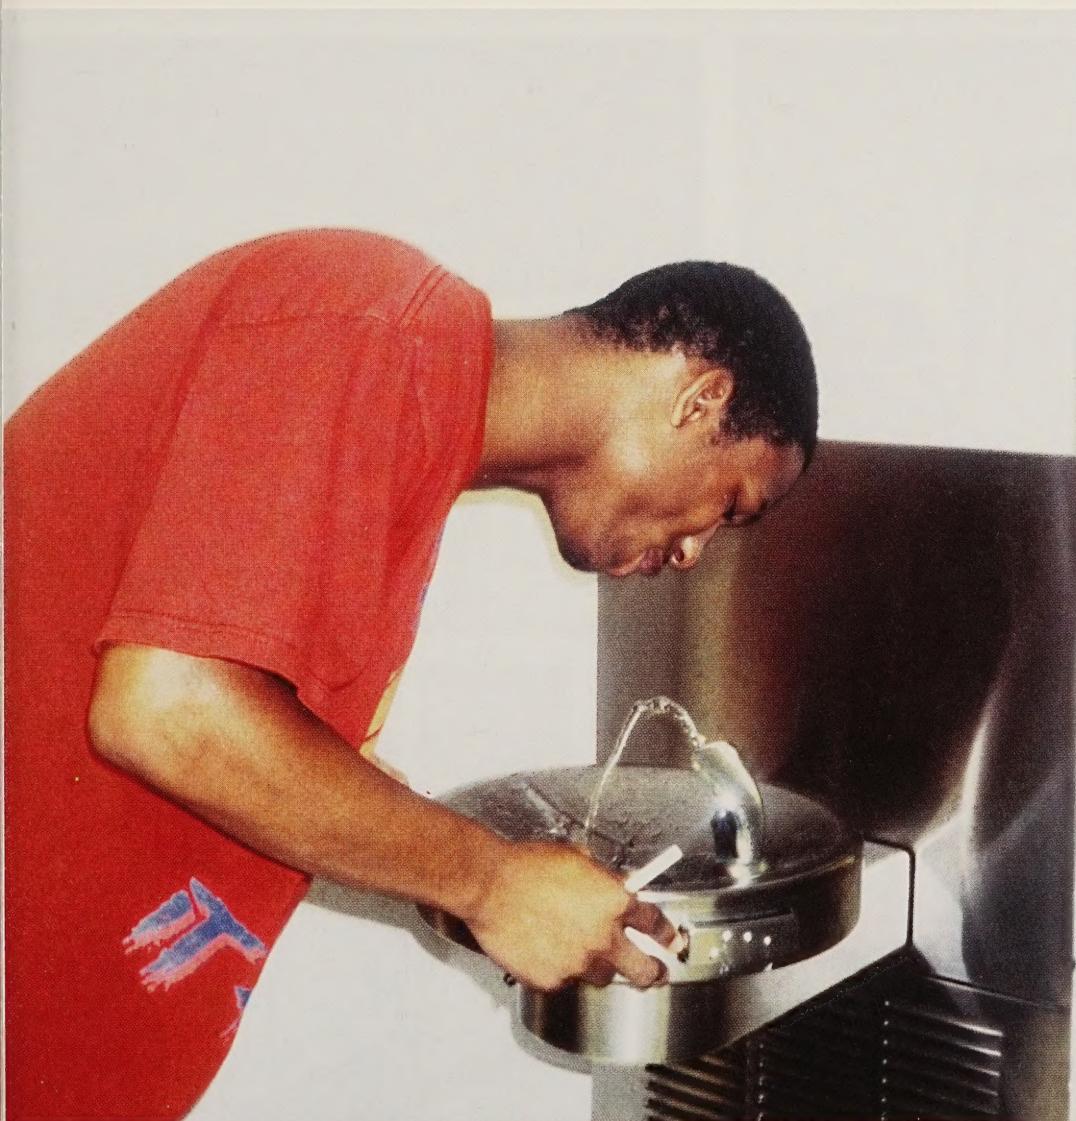

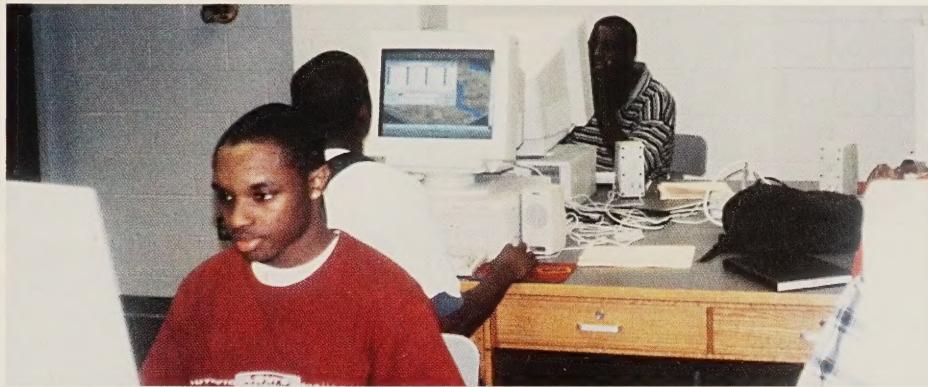

### Lockers with Built-In Locks

This stream-lined and more contemporary version of the old lockers allows students to organize their materials more efficiently. The overhead compartment stores textbooks, while the vertical compartment stores coats and jackets.

### Computers, Computers Everywhere!

What would a state-of-the-art building be without computers? While the building was still in the construction phase, computers were installed in each classroom. In addition, there are computer labs in the business department, English department, and the media center for students' access.

### Death by Drowning?

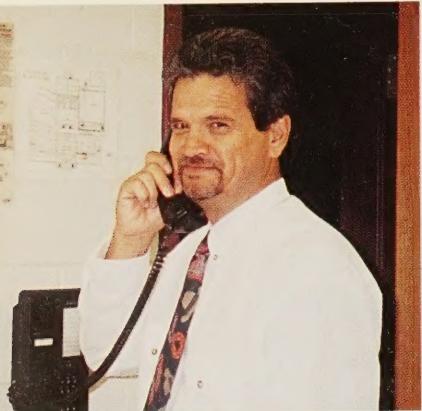

Maybe at the old Norcom! But at the new ICN, a sip of H<sub>2</sub>O from our modern fountains won't cost you your life!

### Motion-Sensored Restroom Faucets

No longer is it necessary to wonder if your hands are clean after a visit to the restroom. Simply, place your hands under the faucet, and the water comes on automatically.

Mrs. McGehee instructs her English 11 class in room 217 - teleconference/lecture facility.

Social Studies teacher James Twine uses his classroom telephone to contact a colleague in another room in the building. The wallpad for the Ranger Media Management System, which is installed in all classrooms, allows students to view technology at the touch of a button.

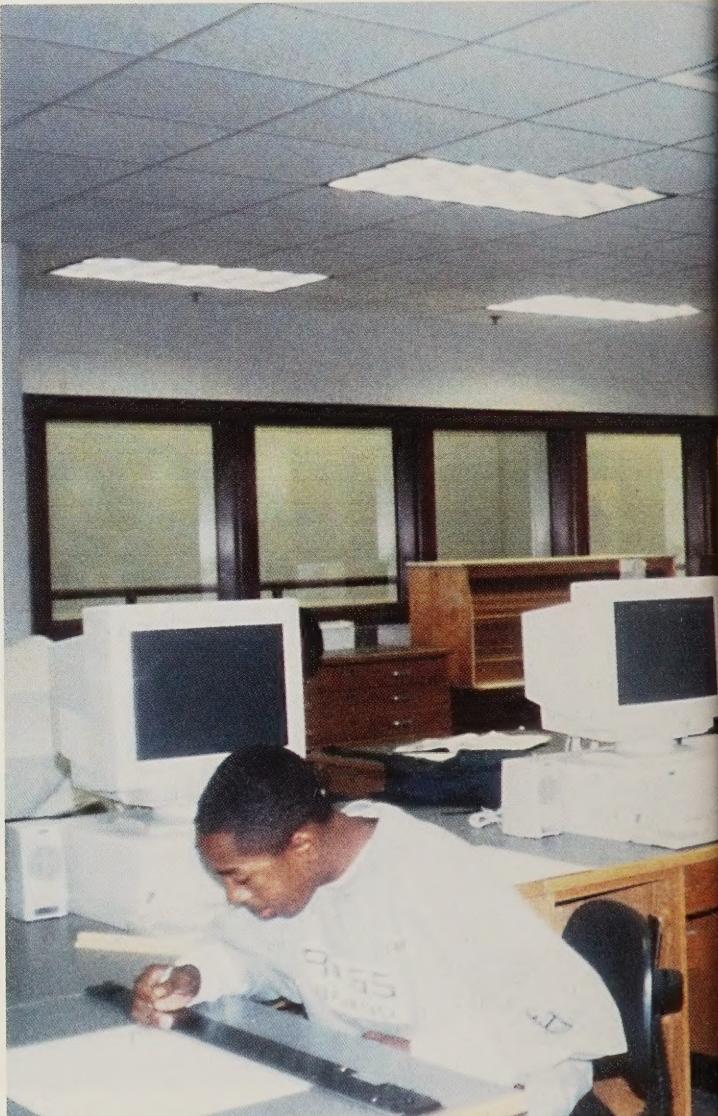

The Greyhound Mart, I.C. Norcom's school store, displays some of the merchandise for sale to Greyhound fans.

Students in the Technology department now have access to more upgraded materials. Drawing and drafting classes are now taken with state-of-the-art equipment.

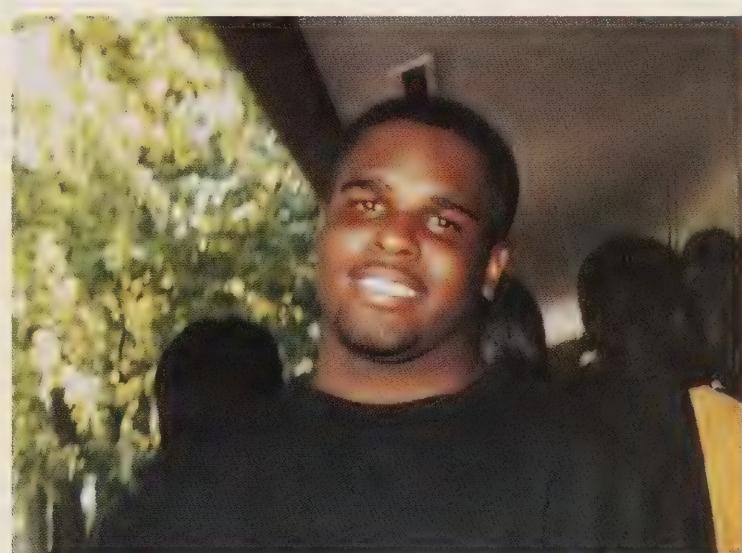

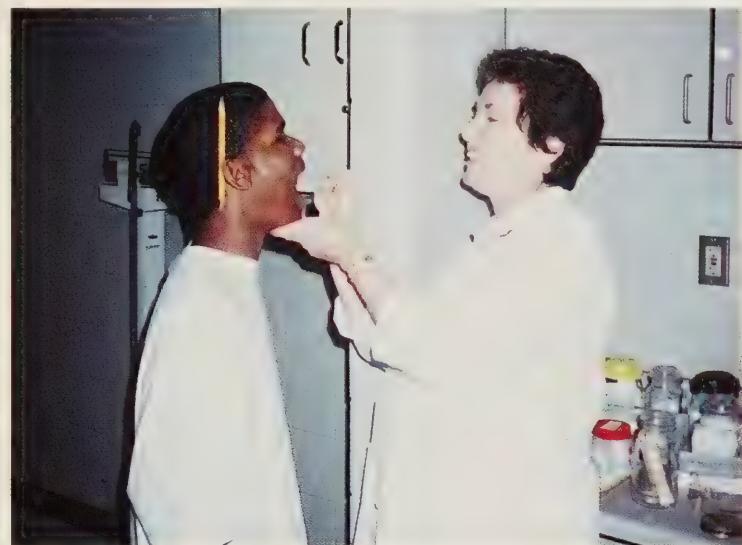

Chemistry students have brand new materials at their fingertips, making learning more enjoyable.

The Junior Class of '98, now the Senior Class of '99, reflects upon the days when pep rallies were held in the auditorium of the Turnpike Road Norcom.

School nurse Wilkins tries to comfort senior Antwanne Ashe who is suffering from SENIOR-ITIS!

Senior majorette steps to the sounds of the Versatile 100+.

It's a bird! It's a plane! It's SUPER SENIOR!

A Fallen Friend is not forgotten.

## Thoughts of Homecoming 1998

"Homecoming was a special time to celebrate the traditions and love expressed throughout the school. This period in I.C. Norcom's history helps to celebrate the opening of a new school after years of doubt and struggles. Students, faculty, alumni, and all fans displayed pride and spirit along with enthusiasm and appreciation for the hard work and dedication put into making this school what it is today." – Keronett Shepard

"I feel overjoyed with being selected by my peers for Mr. Homecoming. Not only is it an honor, but a privilege to be Homecoming King at a school that has so much prestige and school spirit. I felt my heart pounding as I was crowned king." – Mario Theus

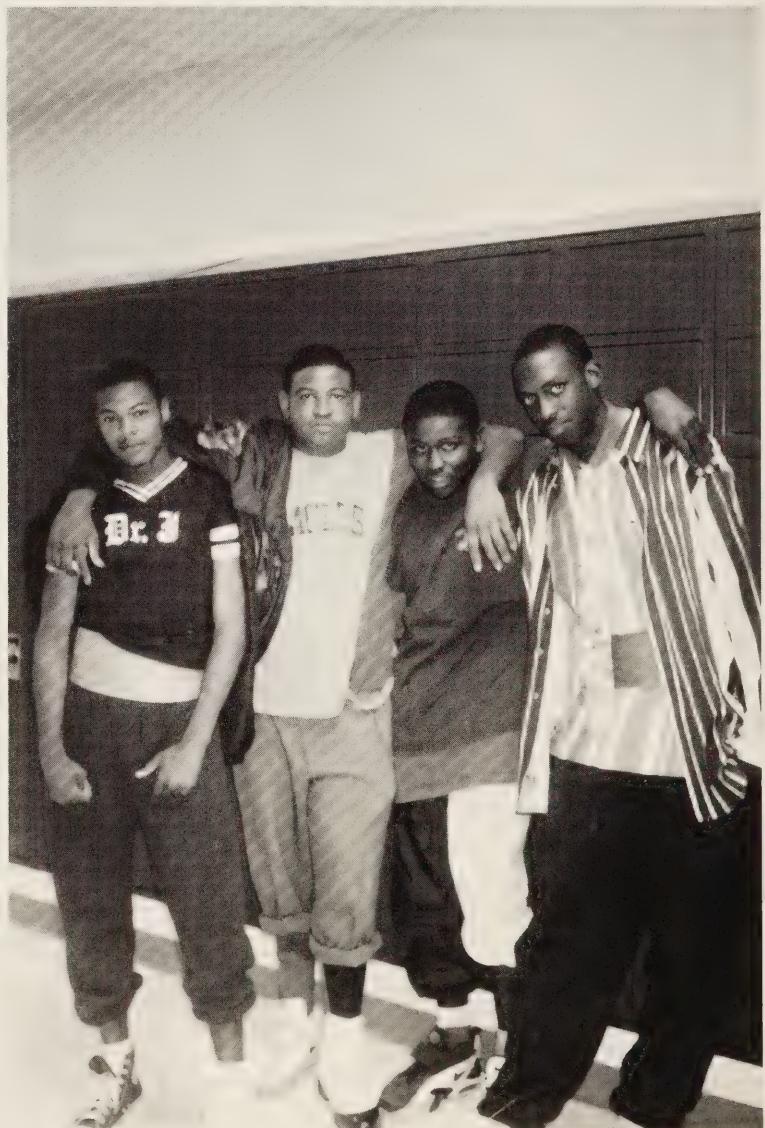

"I feel honored and ecstatic about being chosen as the first Homecoming Queen of the new I.C. Norcom High School. I would like to thank all of my peers who selected me to represent this school with dignity, pride, and spirit. I will cherish and hold this as an unforgettable moment." – Ebony Bullock

### Spirit Week Fashion!

"Stars and stripes forever, and wear them all together." Homecoming week would not be complete without "letting it all hang out."

### I Can See The Future!

Mrs. Z. Bell and her students participate in Mixed-Match day during Spirit Week.

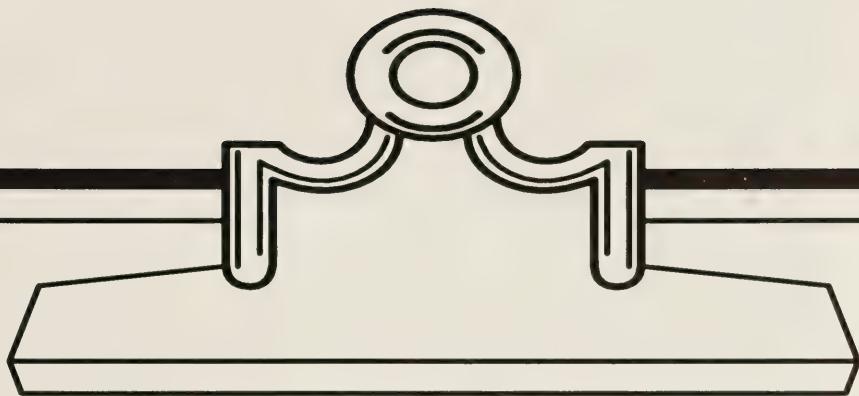

### Is that Sweet Daddy Williams and crew?

No! They are a few of Norcom's finest trying to have some "good times" as they take a blast into the past.

### All Bummed Out!

These poor dudes can't even afford tin cans to collect money, but despite their inability to coordinate their outfits (including shoes), they stick together through good times and bad. *And that's what being a Greyhound is all about!*

## A Junior's Journey

### I. The Academics Of It – “Junior year is tough because the main goal is trying to get out of school.”

- A. SAT's
  - 1. Pass the test.
  - 2. Pass it well.
- B. Take challenging classes.
  - 1. The work is hard, but necessary.
- C. College Applications
  - 1. Send them early.
  - 2. Learn your options.
- D. Exams (You knew this was going to be on the list!)

### II. Time to Get Real – “The past two years were fun and games; now it's time to grow up.”

- A. Get a job.
  - 1. Employment is necessary.
  - 2. Get a license.
    - a. L's are a must to:
      - 1. Get to work.
      - 2. Get to school.
      - 3. Get a life.
  - 3. Pay those dues!

### III. The Fun Part – “All right! We grew up, but junior still do it best!”

- A. Class Ring
  - 1. Represent that 2000!
- B. Prom Plans
  - 1. Get that date.
  - 2. Get that vehicle. (Even if it's rented.)
  - 3. Get that gear.
  - 4. Get the money right, and party all night. Oww!

### IV. Conclusion

*Don't stress out, fake calm. Junior year can be the best year of your life. There's a lot to do, but how else are we going to get to senior year? Do you know how close the Real World is?*

CLASS OF 2002

# Student Life

It speaks for itself!

*Students love to express their own styles of fashion while "hitting the book." Whether it's "old school" or "new school," it's a fashion statement that's MOVING IN THE RIGHT DIRECTION!*

## OLD SCHOOL FLAVOR...NEW SCHOOL RULES

### Player Alert!

Norcom players are on the prowl.

### Take notes!

True players show us how it's done.

### Back in the Day...

Remember when we wore this look?

### It's all good.

What would two macks be without a foxy lady?

**Who's that lady?**

Stanice Randolph is looking fly today!

**Why you over there lookin' at me?**

Fades and braids are popular among males.

**Dressed to impress.**

Ashley Hunter sports her style of casual wear.

**See my Ralph Lauren shirt?**

"T-shirt Mania" is the hot fad this year. Among the ladies, belt bags and coordinating bright colors are hot items in the classroom.

**What's up?**

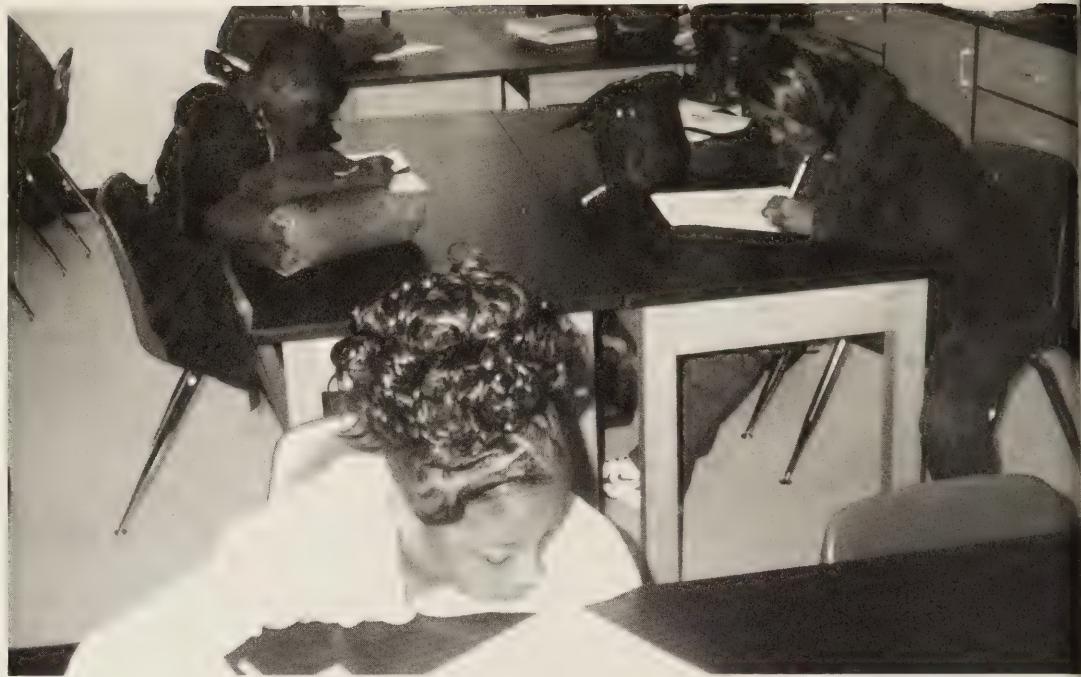

"T-shirt Mania" strikes again as this "cool" student sports his style for '99.

### **"Twist and Shout!"**

Hair twisties are another popular style for us

### **Braids and Books, Style and Looks!**

What a wonderful combination!

### **A Parade of "Do's"**

Whether it's a ponytail, cornrolls, braids, "wear it your way" at ICN.

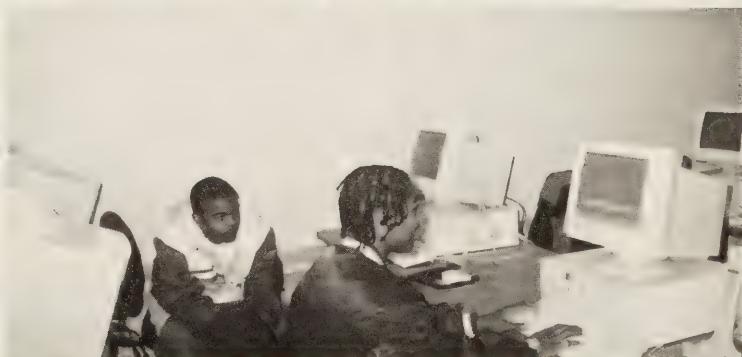

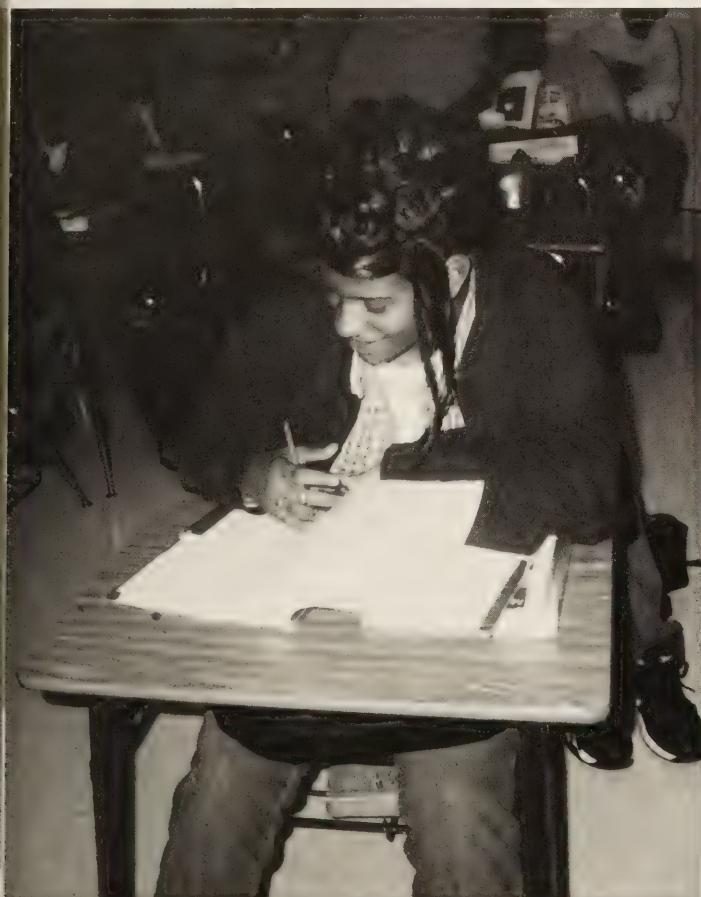

**Fresh cornrolls for a "Fresh Prince?"**  
A smile with style and a visit to the locker.

**Curls, Curls, Curls are for Girls, Girls, Girls!**  
Neka proves that curls come in many styles.

**Take it to the ocean!**  
Waves are still afloat in '99.

**"Hair today won't be gone tomorrow!"**  
Pin curls are very fashionable for Lady Greyhounds.

**Y2K or Y-I-D?**  
Both, perhaps. Yid's braids seem to be a big hit as the new millennium rapidly approaches.

**"It Ain't My Fault!"**  
Carlton has been found guilty of sporting a real "fro."

*FUN is FUN, regardless of whether it's during lunch, at a pep assembly, on your way to class, or between two serious momen*

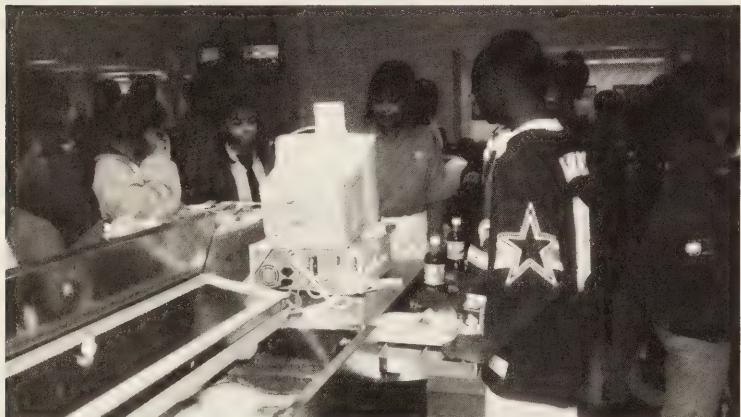

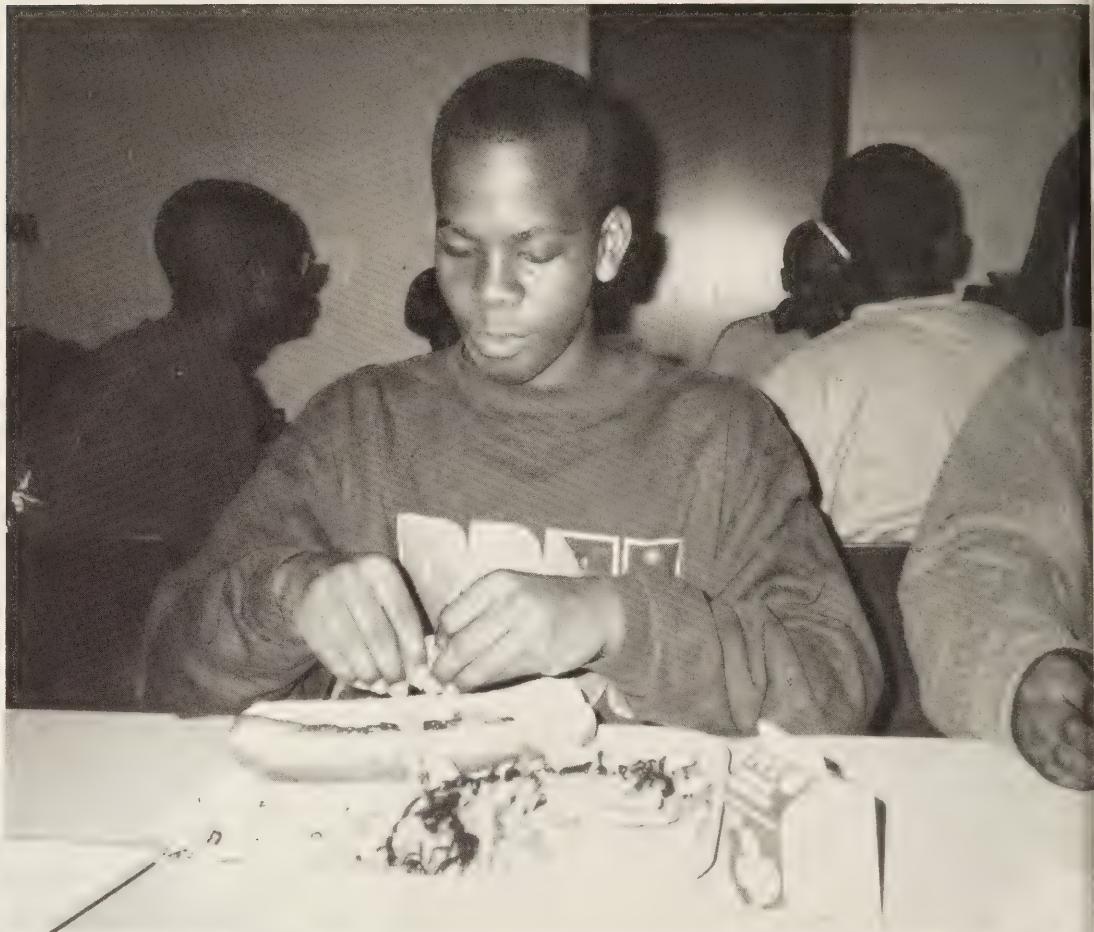

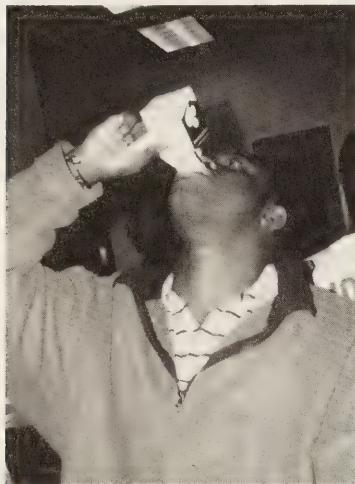

## IT'S A GREYHOUND THING

### MYSTERY MEAT?

Donnell Somerville convinces us that with a lot of ketchup and mustard a school meal can be very appetizing.

### GOT MILK????

It sure does this body good!

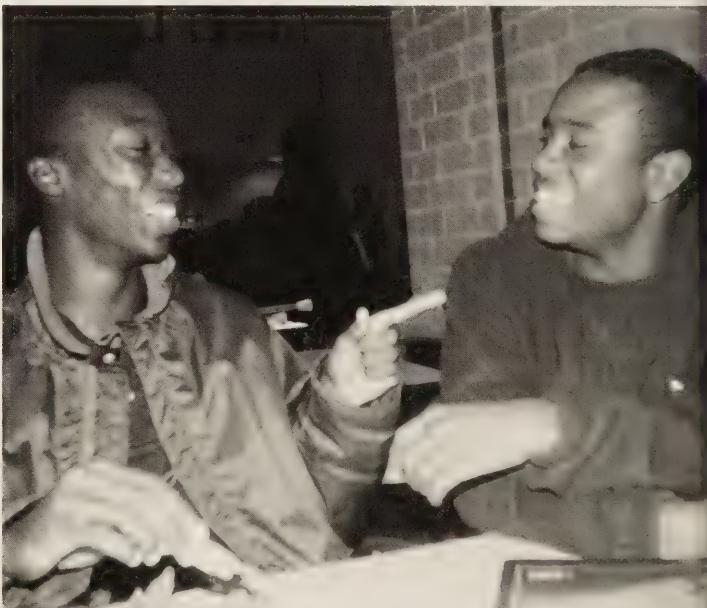

### PUNCH LINES AND LUNCH LINES!

The cafeteria line is the place to be if you want to hear the latest news, catch up on a missed assignment, or grab a bite to eat. How'd you like some nice delicious punch?

### JUST CHILLIN'

Lunch time is all about hangin' with friends.

### A Friend Not Forgotten

Tamara and Tiffany celebrate the life of Shawn Reid just days after his death.

### What's the 4-1-1?

There's nothing wrong with making a phone call during lunch to see what's goin' on elsewhere.

### Greyhound Fever is Rising!

Symptoms: High-pitched screaming, waving your hands in the air, feeling the spirit of being a TRUE GREYHOUND!

### Don't laugh.

Mrs. Bell's math class "counts" on her for more than just piling on the work. A good laugh every once in a while never hurt anybody.

### You need to review for your test!

Mrs. Stevens' geometry class members are all teeth, gums, and lips.

*It's not all about "hitting the books."*

# EDUCATE 4 LIFE!

## **A leader among leaders**

Endia Hatcher assists with mailouts, demonstrating her outstanding organizational skills.

## **Artists in the making?**

Who will be the next "Mona Lisa"? These students work together to create life-sized replicas of each other.

## **Guidance! May I help you?**

Guidance aide Edren Manning strives to polish her office administration skills. Will she be the next Administrative Assistant to the President of the United States?

## **Road Rage? NOT!**

A course in Drivers' Education teaches students how to "keep cool" while behind the wheel. Is a career in the trucking industry or owning a limo service a possibility?

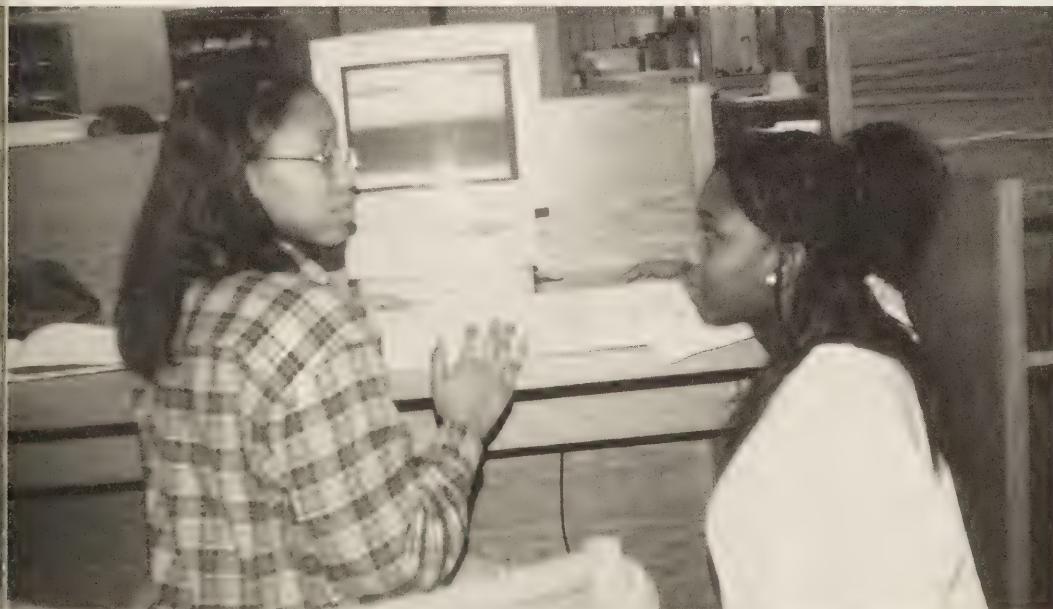

### **Lights, Camera, Action!**

Look out, Hollywood! Marcus Johnson and crew are preparing for a spot among the stars.

### **Apollo Theater, Get Ready!**

Is it time for Steve Harvey to move over? Kendall Graham has no problem introducing our guests from HU in front of hundreds of her peers and faculty members.

### **Computer 101**

Deandra and Sheena learn the "ins and outs" of Norcom's computer network. Look out, Mr. Gates!

### **Candy, anyone?**

Marketing salespersons experience a career in candy sales. These future sales directors know exactly where the money is.

*Seniors have it "made in the shade," but the juniors, sophomores and freshmen would like you to know that it's time for the real.*

## ROLL CALL!

Class of 2000 rocks the sound waves with Jay-Z, Vol. 2... "Hard Knock Life"/Redman – "Doc's the Name 2000" Jennifer Roberts, Jesse Peoples, Natalya Moore, Erica Barner, Shanequa Moore, Chenee Cary, Tenesha Harrison

**What's it about ladies? The freshman females, you didn't know?**

Cheniqua Johnson, Taneika Taylor, Shaunte Johnson, Chay Jackson, Shere Beverly, Andrea Collins, Tia Hodges, Natalie Brodnax

**Who's representing the Class of 2002?**

Deandre Whitley, Anya Holland, Ebony Holloway, Latoya Wright, Monte Darden

**Mr. Andrews' Class**  
The class with class

Who said that school spirit at Normcom was a thing of the past? According to these fans, that is definitely a misstatement.

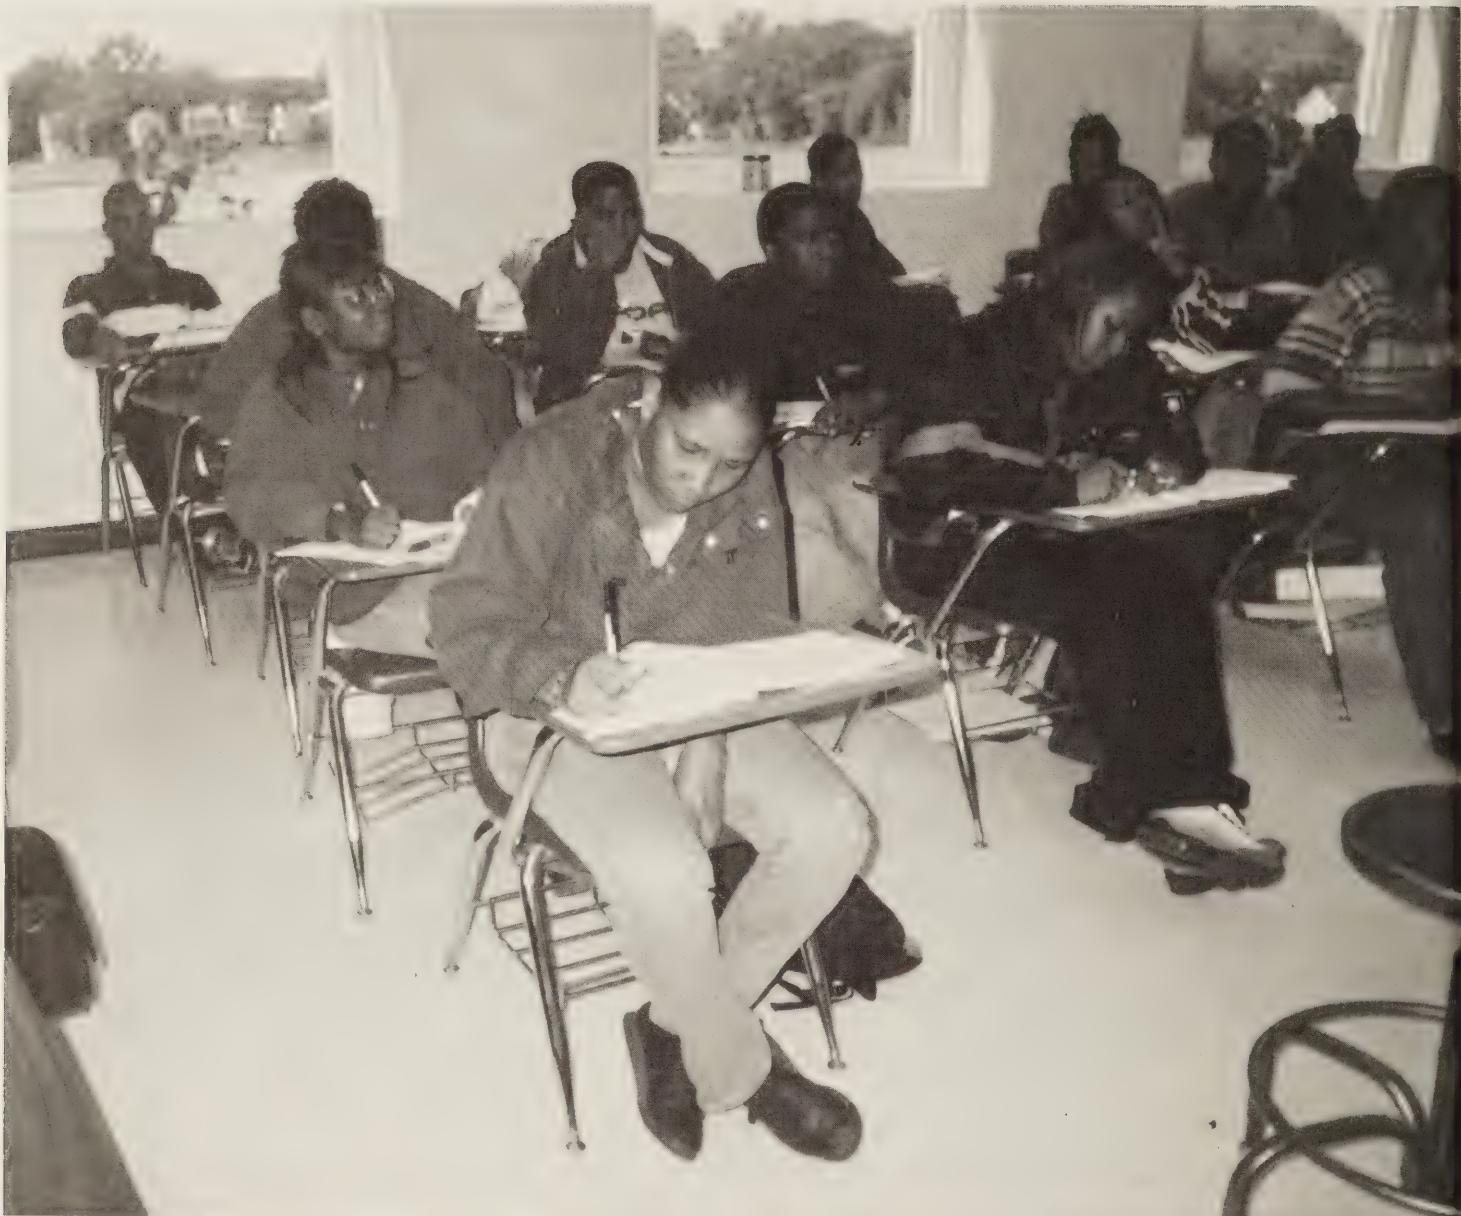

Empty Bleachers? NO WAY!!! After a long week of "feeding the brain" with some knowledge, it's time to kick back and have some fun.

No more pep assemblies? Well, what's this? Friday afternoon pep rallies are better than ever. PEACE OUT!

On a serious note...

# *Norcomites are Academically INCLINED!*

Listen and take notes!  
Students in this course  
striving for excellence in the  
classwork.

### **SOLs? No problem.**

Having good looks is okay, but having the books will go a long way.

### **Rulers rule!**

Drafting and drawing courses are a lot of hard work. An eye for perfection will enable these students to meet their class objectives.

### **Group activities are fun, too.**

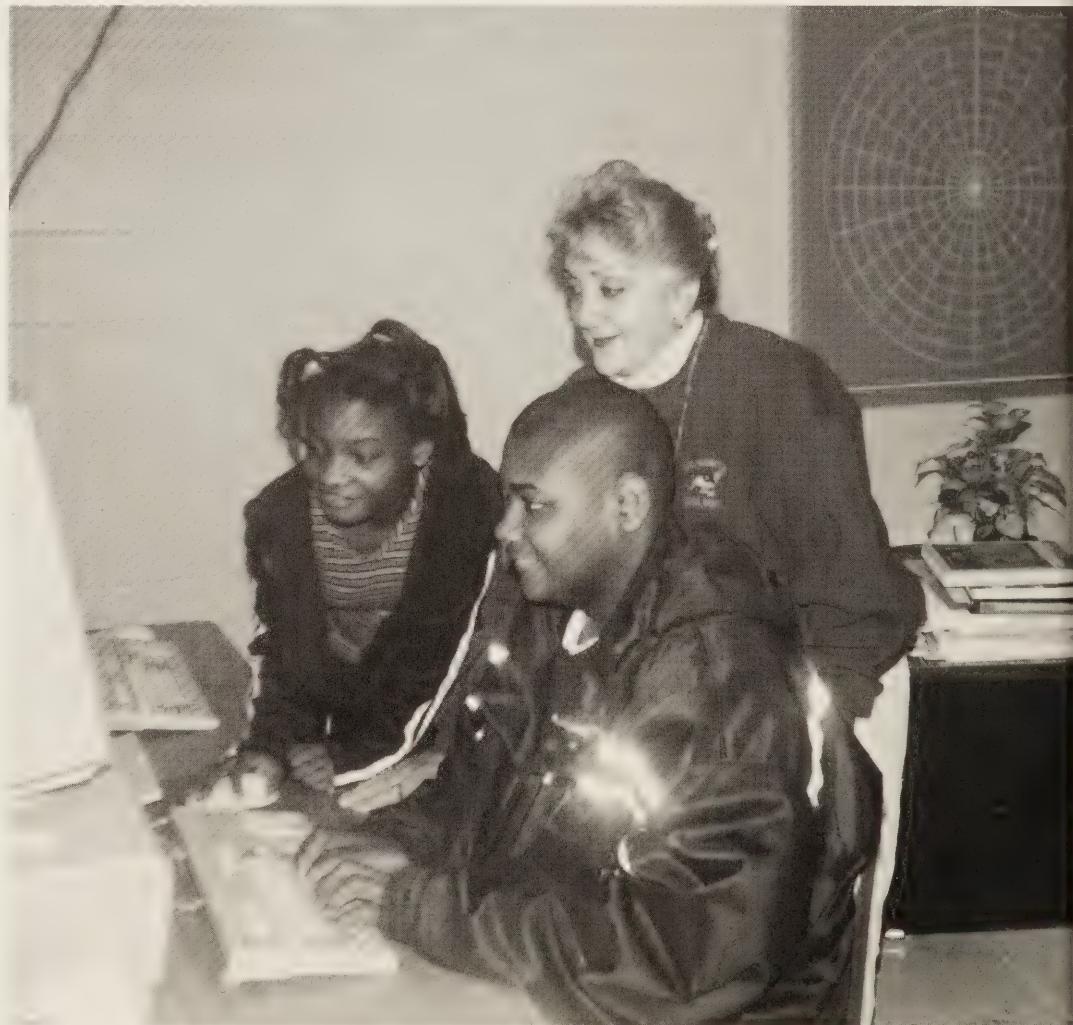

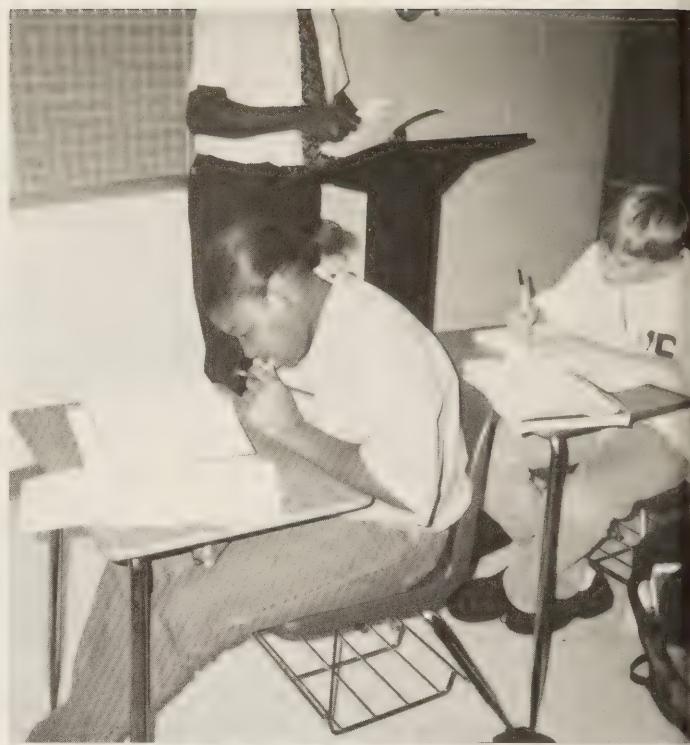

Teamwork and peer interaction through group work makes learning a *moving* experience.

### **Science and Lab Centers**

Students enrolled in chemistry, biology, and oceanography have an opportunity to work "hands on" with the latest equipment, examining cells and conducting experiments on all types of matter.

## Twenty-five sit-ups, Read the directions carefully. NOW!

It's a part of life - dressing out for gym and having to endure all those strenuous exercises.

## English 12, Government, and Electives

Twelfth grade student Shanta Albergottie realizes that Graduation Day is in sight, and she'll do nothing to jeopardize her June '99 plans to walk across that stage and bid a fond farewell to this school.

## Give me one more minute to type this last line!

Word processors and book reports go hand-in-hand. These eager students have "the look of success" written on their faces.

## Higher Heights

At times it seems that teachers fail to be recognized for their dedication and commitment to their students.

However, most would agree that the profession has its rewards, and helping students achieve success is the goal of the faculty and staff at I.C. Norcom.

Marketing teacher Craig Hill takes the time to share some valuable information with an inquisitive student.

Technology instructor Charles Nixon assists students as they complete a course project.

Foreign Language teacher Marie Callo reviews items from the "Student Handbook" with a very humble student.

Resource teacher and sports coach Danny Hill devotes countless after school hours to ensure students' success both in the classroom and on the court and field.

English teacher Judy Temple assists one of her students with her book report format.

NO

ical Education instructor Selwyn  
ams makes sure that students  
the appropriate documents at  
mes.

## Go away!

PSYCH! You would never here these words uttered from the lips of Sociology instructor J. Leon Knight! Mr. Knight always reaches out to students and goes that extra mile to lend a helping hand wherever needed.

Teaching is great, but...

# IT'S AN UPHILL MISSION!

1<sup>st</sup> Stop: Lesson Plans  
Behind the scenes, teachers be found grading papers preparing weekly lesson pl Dr. Gracie Saunders is c nately "on task" as she str to complete all her paperwc

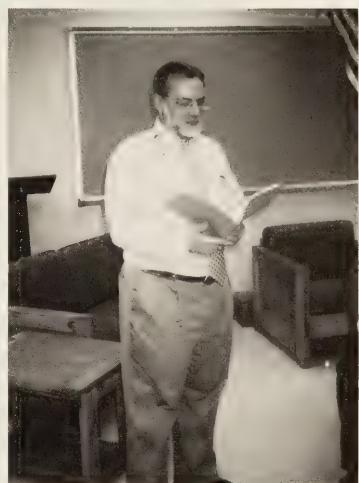

## 2<sup>nd</sup> Stop: SOL-ville

English teacher Judy Morgan peruses her "Monday Notes" and wonders what will be next. Will it be SOL testing for her English 11 students or assisting with some of the other assessment tools?

## 3<sup>rd</sup> Stop: Faculty Meetings

Monthly faculty meetings give teachers an opportunity to share information and celebrate achievements.

## 4<sup>th</sup> Stop: Team Projects

Throughout the year, teachers are assigned to committees to develop strategies for improving the school. English and Drama teacher Will Gordon shares a bit of information during a departmental meeting.

## 5<sup>th</sup> Stop: The Mail Room

Here is where it all begins, and here is where it all ends. At the end of the day, Mr. Murray and Mrs. Temple check their mailboxes to see what other "goodies" await them.

## I.C. Norcom High School Alumni Association works to:

- promote fellowship among alumnus
- stay abreast of actions that impact the school's goals
- promote activities that encourage excellence and achieving high goals
- provide scholarship to graduates of I.C. Norcom; and
- raise funds in support of the goals of the association.

Azaza Hudson (#17) takes one final look to make sure his offense is lined correctly before he calls his play.

The Mighty Greyhounds swarm to the ball!

## VARSITY FOOTBALL

The I.C. Norcom High School Greyhounds accomplished a very heart-throbbing season this year. A 4-7 record shows the commitment and devotion that the varsity football players and coaches put into an extremely challenging football season. Although youth was a factor, having lost a large number of seniors in the 1997-98 season, the team looks forward to

reclaiming its recognition as the state champs as new players continue to gain experience on the field. The legacy of excellence, both on and off the field, has raised this football team to higher standards, and, despite the hardships the team has struggled to overcome, the players deserve a hearty congratulations for their overwhelming efforts.

Mike Lathan kicks a field goal for win!

Keyante Franklin (#74) blocks two Maury defenders to allow David Freeman (#34) to move up the field.

Robchel Williams (#33) looks intensely before he makes a "Barry Sanders-like" cut up the field.

The fans watch on as Michael Lathan makes another clutch reception.
